Jamac Connections

WHAT'S NEW??!

Jamac is pleased to have April and Kim from NBCC for their Work Term Program. Jilly Morrison has also joined us as our new Administrative Assistant

We are also happy that Darren is back from vacation and Nick Butler has joined us as a Project Coordinator on the West Coast

We have been awarded the shop painting and fireproofing Tier3 project with Lorneville Mechanical Contractor on the East Coast and the Kennedale Bridge repairs in Edmonton

WELCOME to the JAMAC newsletter!

Congratulation to Ricky for winning the "Newsletter Name Suggestions".

Welcome to the first issue!

Hello, Jamac employee! We are excited to present you the very first issue of Jamac Connections. Our goal is to keep every employee informed with what's new and what's currently happening. Each issue will highlight important news and information. These are exciting times for Jamac, we have come a long way since we began in 1983. If you have ideas on what you would like to see included in our newsletter, then we are all ears! In the meantime I hope you enjoy this edition. We welcome your feedback also suggestions for future issues.

Jamac's Quality Statement

Here at Jamac, we are proud of our Quality Statement. Jamac Blasting and Painting Ltd. undertakes to maintain an effective quality management system that applies to all of our activities. This system aims to achieve the highest standards of work in order to enhance value to our customers and stakeholders, and ensure compliance to all regulations.

Through measurement, evaluation, review, and training, Jamac seeks to continually improve this quality management system to maintain the highest level of service. Communication of this policy to employees, customers, and all other stakeholders ensures alignment and adherence to this quality system.

Things to Keep in Mind

- Attending toolbox talk is very important as it informs you of the day's activities
- Stop and think before you act, all appropriate personal protective equipment for the task at hand
- Always remember NO stress, haste makes waste

Did you know?

We are currently working towards our ISO (International Organization for Standardization) 9001 Certification

Our new website is almost ready, soon we will have a brand new website
